**(g) Fact Witnesses to be Called at Trial.** Within one (1) month following the close of expert discovery, each party shall serve on the other parties a list of each fact witness (including any expert witness who is also expected to give fact testimony), who has previously been disclosed during discovery and that it intends to call at trial. Within one (1) month of receipt of such fact witness list, each party shall serve a list of each rebuttal fact witness that it intends to call at trial. The parties shall have the right to depose any such fact witnesses who have not previously been deposed in this case. Such deposition shall be held within one (1) month after service of the list of rebuttal fact witnesses and shall be limited to twenty (20) hours per side in the aggregate unless extended by agreement of the parties or upon order of the court upon good cause shown.
